

## **ANNUAL REPORT 2019-20**

### **Introduction**

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.”

### **Vision**

To Develop IES Public School as centre of Excellence Global Repute for Young Minds imbued with Ethics and value system.

### **Mission**

Provide world class ambience, Environment, Infrastructure and Facility.  
Ensuring availability of Learned and Experienced Commuted and Dedicated Faculty.  
Dedicated Effort for Inculcating Human Values with overall development.  
Focused Efforts centred around Healthy Mind & Healthy Body.

### **Core Belief**

IES Public School believes in the holistic development of students and strives to technically upgrade them, at the same time imbibe our age old moral values, to develop their EQ along with IQ. Our methodology aims to develop Academic knowledge with essential We classify educational learning objectives into levels of complexity and specificity. The three lists cover the learning objectives in cognitive, affective and sensory domains . Our methodology aims to develop Academic knowledge with essential Life Skills so our young learners benefit from our specialized support and the expertise of qualified, trained teaching staff. They are offered a wide range of scholastic, sports and cultural experiences through Interschool, State, National and International exposure. We believe that IT facilitates learning, makes it interesting and applicable. It is incorporated in all aspects of our methodology to promote active learning so that students gain expertise in analysis and comprehension of acquired knowledge while developing presentation skills.

**In the voyage of the discovery of excellence in the field of education, our endeavour of keeping the values- Love, Peace, Truth, Non- violence and Right conduct alive in our thoughts word and action continues.**

To ensure that to fulfil the above stated Vision and Mission, the school has taken different initiatives throughout the year.

### **Infrastructure Up gradation-**

- The school was established in 2018 and is running through its third successful year. The School Building has well developed spacious 22 Classrooms, including extension to accommodate the senior students with 8 Classrooms and 3 Laboratories for preparing for senior secondary students by providing a positive and supportive learning environment.
- To encourage reading habit among children, a splendid existing Library has been enriched with a rich collection of additional couple of thousand books pertaining to academics as well as competitive preparations, journals, Subject Magazines and Reference materials is maintained on a regular basis.
- To enhance practical knowledge of the students, the existing lab was upgraded and dedicated Physics, Chemistry and Biology Laboratories are developed in the campus wherein students gain hands on experience on the subjects taught in the classrooms.
- The state of the art Sports Infrastructure of the campus like the Cricket Pitch, Basket Ball Court, Table Tennis and Skating Ring are maintained providing exciting possibilities to the students to develop their sportive skills. Football ground is being constructed for aiding the requirements of the sports enthusiasts.
- For safe and hassle free commutation, the school had increased the number of Buses and Vans to collect students from their homes. The buses are under CCTV surveillance are GPS enabled, with Lady attendant. Daily SMS is sent to intimate parents regarding students departure from school so they can collect their wards from bus stop on time.
- A spacious and airy Dining Room with a space of 60 seating capacity is maintained for students to dine. The teachers check the food quality at a regular basis and and guide the students to follow a healthy diet. Potable water and hand wash area is also provided outside the Dining area.
- School has an Indoor Seminar Hall for accommodating over 300 students. It is used for organizing events needing with It is equipped with electronic/digital devices including Wifi enabled Computer-Projector-Screen System, Air Conditioners, Music-Mike-Loudspeakers Systems and Spot lights. There is another Open Air Auditorium with a seating capacity of over 1500 people for larger events like Annual functions, etc.
- Children learn the most while playing. An indoor Play zone, is an initiative of the school housing a sand pit with slides, rocking toys etc.

developed for the kindergarteners. It helps build their motor skills, team spirit and muscle coordination.

### **Academic Report**

- The first batch of the 10<sup>th</sup> Grade will be passing out in 2021. Student Strength during the foundation year i.e. 2019 was **250** which has been updated to **490** till the current session.
- IES Public School consists of **34** well-trained, experienced and committed teaching staff.  
Staying updated is the key to success in any field especially in the field of education. The teachers constantly strive to stay updated by attending workshops and various training programmes.
- The students have outshined in various competitions held at Inter-School, District, State, National and International level like the Olympiad (Science, Math, English), Spell Bee.
- To improve the language command and help students communicate effectively in the official language, several initiatives have been taken by the school like the conduction of Literary Club activities like **Read-A-Thon**
- To identify Meta-cognitive style of learning, Expert lectures are organized at regular intervals in which Industry experts share their experience, provide Career Counselling and motivate students to excel in life.
- To help children improve their computational skills and remain in sync with the digital world, Computer Laboratory with updated Desktops are maintained.
- Online classes are being held during the pandemic period for all students as per the directives of MHRD, State Govt. And CBSE guidelines.
