SUMMER HOLIDAY

HOMEWORK

SESSION-2021-22

KG-II

IES Public School

Sehore

It is the Summer Vacation time once again!!

Yes, it's time to stay up late. It's time to play all day and not think about tests and worksheets. It's time to enjoy reading books with your parents & grandparents. After all, summer holidays are here. Holidays are great, but schoolwork can be fun filled and inspiring too! So here are a few interesting, activities to keep you going, through the summer break.

Children, it is the time to inculcate good reading habits as books are a man's best friends. Sit under the shade of a tree, grab a story book, read the story and work on vocabulary enhancement. It will be Super Fun!!!

Not only this, start your day with Morning Walk, enjoy the Morning Sun and the cool breeze. Water the plants in your garden and have a playful time with nature!!!

It's a humble request to parents also to take a positive interest, as the wards learn a lot by doing.

Summer Holiday Homework is an initiative on our part, to inculcate innovativeness, creativity and interest in the tasks assigned to our students. Holiday Homework of all the subjects is to be done as per the instructions & guidance given by the subject teacher.

- Remember to converse in English throughout.

- Make the 4 magic words PLEASE, THANK YOU, SORRY & EXCUSE ME a part of your personality.
- Please take care of your health.
- Ask your grandparents about their childhood and find out how different olden days were.
- Do something new, learn something new and make your parents feel proud of you. Also take out some time to enjoy and complete the fun filled holiday homework.

Guidelines for Parents:

It's time for the parents to nurture the child. Parents are the child's first and most important teacher, they can encourage their child's love of learning by participating in educational activities at home. Working together on the activities will help the child build confidence, learn to reason and develop skills necessary for his/her education.

1. Parents can be the facilitators for the child at home but let the child complete his work independently & in his own handwriting
 2. The child should have a fixed time daily for doing assignments.
 3. Before colouring, guide him / her to colour in the same direction. 'Reading book is fun'. Inculcate the habit of reading in your Child.
 4. Nurture your child's interest - be it art, music, dance or anything else.
 5. Let him/her pursue a hobby of his /her own choice.
 6. Please train your child to become independent in his daily chores.
- **Have a Happy & Happening Summer Vacation****

Have a whale of time!!!

See you all back with a Cheerful Smile

Imp: All the Worksheets can either be printed & kept in a folder or the children can do it in their notebooks. It is the parent's prerogative on how they want to do it.
